Paving Resolution.

Be it resolved by the Mayor and Councilmen of the City of Wichita:

That, whereas, a petition signed by residents of the City of Wichita, Kansas, owning one half of the lot fronting on that portion of First street, more specifically hereinafter described has been presented to this council and by it ordered spread upon the minutes, adding that such portion of said street be paved:

Now, therefore, be it resolved that it is necessary and is hereby declared to be necessary to immediately begin the construction of pavement on First street in the City of Wichita from the West side of Main street to the West side of Water street with asphalt, laid upon a concrete basis or foundation, said pavement to be constructed according to the plans and specifications furnished by the city engineer of the City of Wichita.

The above resolution was passed at a regular meeting of the City Council held June 15, 1903.

Attest: J. L. LELAND, City Clerk.

Paving Resolution.

Be it resolved by the Mayor and Councilmen of the City of Wichita:

That, whereas, a petition, signed by the residents of the City of Wichita, Kansas, owning more than one half (1/2) of the lot fronting on abutting upon the portion of the street hereinafter named to be improved, which said petition has by the Mayor and Councilmen been ordered spread upon the minutes:

Now, therefore, it is hereby declared to be necessary to pave Tremont street in the City of Wichita, county of

Canas, from the South side of Douglas Avenue to the South side of William street, together with all necessary curbs and gutters, so as to make the roadway between curbs fifty (50) feet wide; said street to be paved with asphalt laid upon a hydraulic cement, concrete base, and said pavement, curbs and gutters to be constructed in accordance with plans and specifications to be furnished by the city engineer.

The above resolution was passed at a regular meeting of the city council held June 15, 1903.

Attest: J. L. LELAND, City Clerk.

WINFIELD A SUCCESS

Wichita Contingent Reports
a Merry Time

PROGRAM IS ENTERTAINING

Features in Charge of Wichitaans Prove Winners

Winfield, Kan., June 18.—Winfield day at the Chautauque assembly far exceeded any other first day of the assembly ever held in the city. Winfield places of business closed from noon until five o'clock that all Winfieldians might have an opportunity to hear the lecture of Captain Richmond P. Hobson on "The United States as a World Power."

Mrs. Bertha Kunz Baker's discussion of "The Father of American Prose, Washington Irving," in the hall of philosophy was the feature of the morning's lessons. Mrs. Baker's pleasing manner made her work especially interesting. Her lectures on American literature are, to use a common expression, alone worth the price of admission.

The free kindergarten, conducted by Miss Carrie Skulte of Wichita, and her able corps of assistants from Friends University, Misses Keegan, Piercy, Wentworth, Williams, Redding, Nicholas and Parkhurst, proved an attraction to the little people of the assembly. About sixty children sat about the tables or marched in the circle the first morning, and kindergarten hall will be taxed to hold half those who wish to profit by its teaching. Miss Skulte also lectures to mothers during the afternoon on such subjects as relations of kindergarten and kindergarten to the child, and kindred topics. Two of her assistants conduct a playtime each day during the afternoon lectures, and the children are jubilant over their prospects for a good time during the ten days' session.

Miss Leland Hall organized her classes of physical culture for girls yesterday in four divisions of from twenty to forty each. Much good is promised in this line, as Miss Hall is a thoroughly competent instructor, being attested to by her work in Lewis Academy last year. Prof. U. S. G. Plank undertakes to keep the boys of the assembly entertained with athletic sports, swimming and boating.

The popularity of this teacher and his methods proves the value of his organization when it is remembered that two years ago only thirty-five boys were enrolled during the whole session, while the first day's recruits this year numbered over a hundred.

Mrs. Robert Platt of Wichita had charge of the C. L. S. C. work at 3:30 p. m. At this time Prof. S. M. McCowan, the superintendent of the Chautauque Indian school, gave a very interesting talk on the United States and the American Indian. He gave a number of incidents from his personal experience and observation. His stories were quite humorous and entirely interesting.

Following him Mrs. Bertha Kunz Baker spoke of art and especially of the mural decorations on the walls of the Boston public library.

SKIN-TORTURED BABIES

And Tired, Fretted Mothers

Find Comfort in Cuticura Soap and Ointment

When All Other Remedies and Physicians Fail.

Instant relief and refreshing sleep for skin-tortured babies and rest for tired, worried mothers in warm baths with Cuticura Soap, and gentle anointing with Cuticura Ointment, purport of emollient skin cures, to be followed in severe cases by mild doses of Cuticura Resolvent. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted and pimply skin and scalp humors, with loss of hair, of infants and children, as well as adults, and is sure to succeed when all other remedies and the best physicians fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurement, as in acne and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, wetter and scald rheum, all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolvent are such a remedy is proven beyond all doubt. No statement is made regarding their cost, for it is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures and household remedies of the civilized world.

Sold throughout the world. Cuticura Resolvent, No. 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

decoration on the walls of the Boston public library.

NOTES.

Another perfect day, bright, but not too warm.

Tennis courts are ready for use.

It is estimated six thousand people were on the grounds Wednesday afternoon.

Wichita people are housed in twenty-five tents, perhaps one hundred and fifty persons.

Miss Meddie Hamilton lost her gold mounted umbrella, but was fortunate enough to find it after diligent search.

Only words of praise are heard for the beautiful Chautauque grounds, and the improvements recently made.

The Wichita High school crowd of fourteen girls, chaperoned by Miss Hamilton, are having a merry time.

The White City on Island park will prove more and more attractive each day of the week.

BIG REALTY TRANSFER.

Consideration in the Deed Reaches \$200,000.

Anthony, Kan., June 18.—Mr. Sidney P. Allen, representing A. P. Rule, cashier of the National Bank of Commerce of Kansas City, Mo., has been in the city closing what will prove to be, no doubt, the largest single transfer of realty ever made in Harper county.

Ever since last February Mr. Rule has been figuring with Mr. Waldron for the purchase of this property, and a formal contract has been entered into between the two gentlemen, under which the property, including the townsite of Waldron, all the coal and other city stock on the place, passes to Mr. Rule. The consideration named in the deeds is \$200,000, which also includes Mr. Waldron's residence property in Anthony, Kan.

REPORT IS NOT TRUE.

Emporia Will Hold Her Chautauque as Usual.

Emporia, Kan., June 18.—Some one has reported that the Emporia Chautauque has been abandoned and the report has been accepted in Kansas. This is a mistake; there never was any thought of abandoning the Emporia Chautauque. It will be held from June 21 to July 7.

AS TO FLOOD LOSSES.

Figures Given Out and Have Fallen Below the Facts.

Kansas City, June 18.—In response to many inquiries asking as to the correctness of reports regarding flood losses in Kansas City, Kansas, the relief committee today made the following statement:

"As the extent of the flood calamity becomes more correctly known it is found that the reports heretofore given out by the relief committees of the city have fallen considerably below the actual figures. This is especially true as to losses and damages on dwelling houses, which are not far from 50 per cent to 75 per cent of total value in the flooded districts while the losses in household effects are probably near 50 per cent. With these rates of losses suffered by fully 12,000 people, composed as they are largely of laboring people, the need and necessity for aid in larger amounts is established beyond dispute. All contributions should be sent to T. H. GILBERT, mayor of Kansas City, Kansas."

T. H. GILBERT, Mayor of Kansas City, Kansas, and chairman of the executive relief committee.

J. L. CARLISLE, Secretary executive relief committee.

Q. A. SIMPSON, Chairman committee outside aid.

Lambert, June 18.—King Edward King Alexander and other members of the royal family drove from Windsor Castle to London today for semi-annual visit with postmaster and life-giving elements of the wheat berry are eliminated in the manufacture of patent flour.

"My unasked-for advice to all is to use daily a nutrient like Grape-Nuts that retains all the vitality of the grain. For this very reason there is more direct virtue in the daily use of Grape-Nuts than in all the medicinal tonics in the world that crowd to overcrowding the shelves of drug stores."

"The restaurant where I take my meals keeps Grape-Nuts on hand to accommodate me and others who eat to live and enjoy life and health." Name furnished by Postum Co., Battle Creek, Mich.

Grape-Nuts can be served in a variety of ways—from breakfast food to the novel and delicious Grape-Nuts Ice Cream. See the little purple book in each package.

DANGER OF THE MOB

Statute Permits Governor to Remove Prisoners

PROTECT FROM LYNCHING

First Case Will Be Applied to Cheyenne County

Topeka, Kan., June 18.—A law passed by the last legislature permits the governor to have prisoners removed to the Lansing prison or Hutchinson reformatory when in danger of mob violence. This Governor Bailey has practically decided to do in the case of the St. Francis stockmen committed to the Goodland jail.

Telegrams received from Cheyenne county today state that there is grave danger of an uprising. Topeka, Kan., June 18.—The question of where to keep Chauncey Dewey and his company in the Cheyenne county murder case is now confronting the state authorities and it seems not at all improbable that they may be either taken to the Hutchinson reformatory or to the state prison at Lansing and held pending their trial, which will be held next November.

A law passed by the last legislature allows prisoners to be taken either to the reformatory or state prison pending trial and this is what is being done in the present instance. In the meantime Captain Cunningham has been commanded to keep his troops at St. Francis and guard the prisoners.

The real seat of war is the southwest corner of Rawlins county, near where Rawlins, Cheyenne, Thomas and Sherman come together. Governor Bailey thinks the prisoners should be taken as far away as Morton and possibly further than that.

Lincoln, Neb., June 18.—A special to the Star from St. Francis, Kan., says:

Tomorrow Captain Cunningham and his company of militia from Osborn, Kansas, will leave with Dewey, McBride and Wilson who have been bound over to the district court without bail, charged with the murder of Bruce Berry. Captain Cunningham said: "I am going to Goodland and examine the jail and if it should seem unwise to put the prisoners there they will be taken elsewhere. The feeling in Sherman county is very strong against the Dewey outfit and I do not intend to leave them where there will be the slightest danger from mob violence."
